## DIRECTORS' REPORT

---

The directors present their annual report together with the audited financial statements for the year ended 31 May 2009.

### PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The Eight Forestry Investment Plan Public Limited Company, launched in 2003, is a ten year investment fund. The main activity of the company is to manage and maintain the woodlands and forestry assets of the company. All lands have been planted in accordance with the Fund's forestry management plan.

### FUTURE DEVELOPMENTS

The Irish forestry sector is facing some new opportunities with the emergence of bio-fuels. The directors continue to monitor and research any suitable opportunities in this area for the benefit of the company.

### RESULTS FOR THE YEAR

	2009 €
Loss on ordinary activities before taxation	(25,047)
Taxation	(175)
Loss on ordinary activities after taxation	<u>(25,222)</u>

### KEY PERFORMANCE INDICATORS

As the company's performance is primarily dependent on the value attributable to the biological growth of the forestry assets, the key performance indicator is largely dependent on the independent valuation placed on this forest growth. Forest growth is not recognised in the financial statements but an independent valuation showed the forest growth was €271,484 for the year (2008: €350,891) and has been calculated in accordance with standard forestry valuation procedures.

### PREMIUM INCOME

As a result of the mid-year budget of 2009 the Forest Service at the Department of Agriculture, Fisheries and Food reduced annual premia by 8%. This affected all forest owners in receipt of premia equally. It is the Directors understanding that this is not necessarily a permanent reduction and are continuing to actively engage with the Department at the highest level to minimise the effect of this change and to protect the company from any further reductions.

### DIVIDENDS

The directors do not recommend payment of a dividend in respect of the year ended 31 May 2009.

### POST BALANCE SHEET EVENTS

There have been no significant events affecting the company since the year end.

### DIRECTORS' REPORT (CONTINUED)

---

#### DIRECTORS

The directors who held office during the year are listed on page 2. Under the Articles of Association the directors are not required to retire by rotation.

#### BOOKS OF ACCOUNT

To ensure that proper books and accounting records are kept in accordance with Section 202, Companies' Act, 1990, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The books of account are located at the company's premises at Eblana House, Eblana Avenue, Dun Laoghaire, Co. Dublin.

#### RISKS AND UNCERTAINTIES

The main risks associated with forestry investment include fire, wind damage, public liability, disease, the future market price of timber and adverse changes to existing tax advantages or grants. The directors continue to mitigate and where appropriate under expert advice, insure against the risks faced by the company.

#### AUDITORS

The auditors, Deloitte & Touche Chartered Accountants, continue in office in accordance with the provisions of Section 160(2) of the Companies Act, 1963.

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

---

Irish company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and comply with Irish statute comprising the Companies Acts, 1963 to 2009. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE EIGHTH FORESTRY INVESTMENT PLAN PUBLIC LIMITED COMPANY**

We have audited the financial statements of The Eighth Forestry Investment Plan Public Limited Company for the year ended 31 May 2009 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement, the Statement of Accounting Policies and the related notes 1 to 16. These financial statements have been prepared under the accounting policies set out in the Statement of Accounting Policies.

This report is made solely to the company's members, as a body, in accordance with Section 193 of the Companies Act 1990. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

The directors are responsible for preparing the financial statements, as set out in the Statement of Directors' Responsibilities, in accordance with applicable law and accounting standards issued by the Accounting Standards Board and published by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practices in Ireland).

Our responsibility, as independent auditor, is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, and are properly prepared in accordance with Irish statute comprising the Companies Acts, 1963 to 2009. We also report to you whether in our opinion: proper books of account have been kept by the company; whether, at the balance sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the company; and whether the information given in the Directors' Report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purpose of our audit and whether the company's balance sheet and profit and loss account are in agreement with the books of account.

We also report to you if, in our opinion, any information specified by law regarding directors' remuneration and directors' transactions is not disclosed and, where practicable, include such information in our report.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatement within it. Our responsibilities do not extend to other information.

### **Basis of audit opinion**

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we evaluated the overall adequacy of the presentation of information in the financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
THE EIGHTH FORESTRY INVESTMENT PLAN PUBLIC LIMITED COMPANY**

**Opinion**

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of affairs of the company as at 31 May 2009 and of its loss for the year then ended; and
- have been properly prepared in accordance with the Companies Acts, 1963 to 2009.

We have obtained all the information and explanations we considered necessary for the purposes of our audit. In our opinion proper books of account have been kept by the company. The company's balance sheet and its profit and loss account are in agreement with the books of account.

In our opinion the information given in the Directors' Report is consistent with the financial statements.

The net assets of the company, as stated in the balance sheet are more than half the amount of its called up share capital and, in our opinion, on that basis there did not exist at 31 May 2009 a financial situation which under Section 40(1) of the Companies (Amendment) Act 1983, may require the convening of an extraordinary general meeting of the company.

## STATEMENT OF ACCOUNTING POLICIES

---

### **BASIS OF PREPARATION**

The financial statements have been prepared in accordance with accounting standards generally accepted in Ireland and Irish statute comprising the Companies Acts, 1963 to 2009.

### **ACCOUNTING CONVENTION**

The financial statements are prepared under the historical cost convention.

### **REVENUE RECOGNITION**

Premia income receivable under Irish Government grant schemes is credited to the profit and loss account when receivable.

### **TANGIBLE ASSETS**

Tangible assets represent land and forestry costs. Land costs comprise land purchase price, stamp duty, legal and professional costs, together with forest management consultancy fees incurred in the twelve month period from date of purchase of individual sites. Forestry costs comprise afforestation costs which are fully grant aided, together with enhancement costs where appropriate.

### **GRANTS**

Capital grants receivable under Irish Government grant schemes are recognised when received or when their receipt can be foreseen with virtual certainty.

Grants in respect of afforestation costs which have been capitalised, are treated as deferred income and will be released to the profit and loss account when the related forests are clearfelled.

### **FOREST GROWTH**

Forest growth is not recognised in the financial statements.

### **TAXATION**

The charge for taxation is based on the result for the year.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events have occurred at the balance sheet date that might result in an obligation to pay more, or a right to pay less tax in the future. Deferred tax assets are recognised if it is regarded as more likely than not that they will be recovered.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MAY 2009**

**1. GOING CONCERN**

The financial statements have been prepared on a going concern basis.

The company reported a loss for the year amounting to €25,222 (2008: €6,619) and had net current liabilities at the balance sheet date of €22,860 (2008: net current assets €12,124). The company's largest creditor, I.F.S. Asset Managers Limited, has indicated that they have always recognised that, due to the nature of the company's activities, revenues are periodic, and therefore, they will not require payment of outstanding debts until such time as the company is in a position to do so. I.F.S. Asset Managers Limited recognises and accepts that this period may be in excess of 12 months. This will enable the company to meet its other financial obligations as they fall due. The Directors are, therefore, satisfied as to the appropriateness of the going concern basis.

The financial statements do not include any adjustments to the carrying amount or classification of assets and liabilities, which would result if the company was unable to continue as a going concern.

The redeemable preference shareholders do not have any right to attend or vote at Annual General Meetings.

The redeemable preference shares are the only shares entitled to participate in the growth of the forest investment and, as such, will be the only shares to rank for dividend and to participate in the distribution of any surplus arising when the forests are sold.

The company shall redeem the redeemable preference shares when the directors consider that it is in the best interest of the redeemable preference shareholders to do so. It is the intention of the company that the forests will be sold and all dividends paid ten years after the establishment of the Fund at which time the redeemable share capital will be repaid.

**Non-Equity:**

Only ordinary shareholders have any voting rights and are entitled to attend and vote at Annual General Meetings.

Ordinary shares do not rank for dividend and will not participate in the final distribution of any surplus arising when the forests are sold.

Ordinary share capital is repayable at par when the forests are sold and the preference share capital is repaid.
