THE SEVENTH IRISH FORESTRY FUND PUBLIC LIMITED COMPANY

DIRECTORS' REPORT

The directors present their annual report together with the audited financial statements for the year ended 31 May 2011.

PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The Seventh Irish Forestry Fund Public Limited Company, launched in 2000, is a thirty year investment fund. The main activity of the company is to manage and maintain the woodlands and forestry assets of the company. All lands have been planted in accordance with the Fund's forestry management plan.

During the year, the directors having consulted the independent Forest Management Consultant, have rebalanced the company's forestry portfolio. This exercise has resulted in the acquisition, by the company of eight forest plots from The Second Forestry Investment Plan Plc totaling 153.1 acres for a sum of €548,644 – the value which was independently assessed by the Forestry Management Consultant. In recompense, the company transferred three forest plots totalling 117.9 acres to The Tenth Forestry Growth Plan Plc for a total consideration of €572,441.

FUTURE DEVELOPMENTS

The Irish forestry sector is facing some new opportunities with the emergence of bio-fuels. The directors continue to monitor and research any suitable opportunities in this area for the benefit of the company.

RESULTS FOR THE YEAR

	2011
	€
Profit on ordinary activities before taxation	292,570
Taxation	-
Profit on ordinary activities after taxation	292,570

KEY PERFORMANCE INDICATORS

As the company's performance is primarily dependent on the value attributable to the biological growth of the forestry assets, the key performance indicator is largely dependent on the independent valuation placed on this forest growth. Forest growth is not recognised in the financial statements but an independent valuation showed the forest growth was €(105,207) for the year (31 May 2010: €145,547) and has been calculated in accordance with standard forestry valuation procedures.

On reviewing the company's forest portfolio, the directors took advantage of an opportunity which arose during the year to dispose of 117.87 acres of relatively mature forestry and replace it with 153.12 acres of younger forestry to optimise the balance of the portfolio. The gain in the profit and loss account of €308,550 on the disposal of the 117.87 acres reflects the realisation of the growth that had taken place since the company first acquired this forestry in 2000. When comparing cumulative opening forestry growth values to closing cumulative forestry growth values, the forest growth for the year appears to amount to a negative €105,207. However after adjusting for growth realised during the year, the actual growth achieved was a positive of €203,093 for the remaining forestry stock. The directors have succeeded in enhancing the overall forest portfolio of the company through the subsequent acquisitions.

DIVIDENDS

The directors do not recommend payment of a dividend in respect of the year ended 31 May 2011.

POST BALANCE SHEET EVENTS

There have been no significant events affecting the company since the year end.

DIRECTORS' REPORT (CONTINUED)

DIRECTORS

The directors who held office during the year are listed on page 2. Under Articles of Association the directors are not required to retire by rotation.

BOOKS OF ACCOUNT

To ensure that proper books and accounting records are kept in accordance with Section 202, Companies' Act, 1990, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The books of account are located at the company's premises at Eblana House, Eblana Avenue, Dun Laoghaire, Co. Dublin.

RISKS AND UNCERTAINTIES

The main risks associated with forestry investment include fire, wind damage, public liability, disease, the future market price of timber and adverse changes to existing tax advantages or grants. The directors continue to mitigate and where appropriate under expert advice, insure against the risks faced by the company.

AUDITORS

The auditors, Deloitte & Touche, Chartered Accountants, will continue in office in accordance with the provisions of Section 160(2) of the Companies Act, 1963.

STATEMENT OF DIRECTORS' RESPONSIBILITY

Irish company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and comply with Irish statute comprising the Companies Acts, 1963 to 2009. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE SEVENTH IRISH FORESTRY FUND PUBLIC LIMITED COMPANY

We have audited the financial statements of The Seventh Irish Forestry Fund Public Limited Company for the year ended 31 May 2011 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement, the Statement of Accounting Policies and the related notes 1 to 16. These financial statements have been prepared under the accounting policies set out in the Statement of Accounting Policies.

This report is made solely to the company's members, as a body, in accordance with Section 193 of the Companies Act, 1990. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the financial statements, as set out in the Statement of Directors' Responsibilities, in accordance with applicable law and accounting standards issued by the Accounting Standards Board and published by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland).

Our responsibility, as independent auditor, is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, and are properly prepared in accordance with Irish statute comprising the Companies Acts, 1963 to 2009. We also report to you whether in our opinion: proper books of account have been kept by the company; whether, at the balance sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the company; and whether the information given in the Directors' Report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purpose of our audit and whether the company's balance sheet and profit and loss account are in agreement with the books of account.

We also report to you if, in our opinion, any information specified by law regarding directors' remuneration and directors' transactions is not disclosed and, where practicable, include such information in our report.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatement within it. Our responsibilities do not extend to other information.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we evaluated the overall adequacy of the presentation of information in the financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
THE SEVENTH IRISH FORESTRY FUND PUBLIC LIMITED COMPANY**

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of affairs of the company as at 31 May 2011 and of the profit for the year then ended; and
- have been properly prepared in accordance with the Companies Acts, 1963 to 2009.

We have obtained all the information and explanations we considered necessary for the purpose of our audit. In our opinion proper books of account have been kept by the company. The company's balance sheet and its profit and loss account are in agreement with the books of account.

In our opinion the information given in the Directors' Report is consistent with the financial statements.

The net assets of the company, as stated in the balance sheet are more than half the amount of its called up share capital and, in our opinion, on that basis there did not exist at 31 May 2011 a financial situation which under Section 40(1) of the Companies (Amendment) Act 1983, may require the convening of an extraordinary general meeting of the company.

THE SEVENTH IRISH FORESTRY FUND PUBLIC LIMITED COMPANY

STATEMENT OF ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements have been prepared in accordance with accounting standards generally accepted in Ireland and Irish statute comprising the Companies Acts, 1963 to 2009.

ACCOUNTING CONVENTION

The financial statements are prepared under the historical cost convention.

REVENUE RECOGNITION

Premia income receivable under Irish Government grant schemes is credited to the profit and loss account on a receivable basis.

TANGIBLE ASSETS

Tangible assets represent land and forestry costs. Land costs comprise land purchase price, stamp duty, legal and professional costs, together with forest management consultancy fees incurred in the twelve month period from the date of purchase of individual sites. Forestry costs comprise afforestation costs which are fully grant aided, together with enhancement costs where appropriate.

Land and forestry costs are not depreciated.

GRANTS

Capital grants receivable under Irish Government grant schemes are recognised when received or when their receipt can be foreseen with virtual certainty.

Grants in respect of afforestation costs which have been capitalised, are treated as deferred income and will be released to the profit and loss account when the related forests are clearfelled.

FOREST GROWTH

Forest growth is not recognised in the financial statements.

TAXATION

The charge for taxation is based on the results for the year.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events have occurred at the balance sheet date that might result in an obligation to pay more, or a right to pay less tax in the future. Deferred tax assets are recognised if it is regarded as more likely than not that they will be recovered.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2011**

1. GOING CONCERN

The financial statements have been prepared on a going concern basis.

The company has net current liabilities at the balance sheet date of €75,701 (2010: €55,118). The company's largest creditor, I.F.S. Asset Managers Limited, has indicated that they have always recognised that, due to the nature of the company's activities, revenues are periodic, and therefore they will not require payment of outstanding debts until such time as the company is in a position to do so. I.F.S. Asset Managers Limited recognises and accepts that this period may be in excess of 12 months. This will enable the company to meet its other financial obligations as they fall due. The directors are therefore satisfied as to the appropriateness of the going concern basis of accounting.

The financial statements do not include any adjustments to the carrying amount or classification of assets and liabilities, which would result if the company was unable to continue as a going concern.

(a) Analysis of the tax charge for the year:

The tax charge on the profit/(loss) on ordinary activities for the year was as follows:

Corporation tax on the profit/(loss) for the year	-	2
Adjustment of tax in previous years	-	130
	<u>-</u>	<u>132</u>
	<u><u>-</u></u>	<u><u>132</u></u>

(b) Factors affecting the tax charge for the year:

The tax assessed for the year differs from the standard rate of corporation tax in Ireland (12.5%). The differences are explained below:

	2011 €	2010 €
Profit/(loss) on ordinary activities before taxation	292,570	(18,256)
	<u><u>292,570</u></u>	<u><u>(18,256)</u></u>
Profit/(loss) on ordinary activities multiplied by standard rate of tax in Ireland of 12.5% (2010 : 12.5%)	36,571	(2,282)
Effects of:		
Operation of woodlands not subject to corporation tax	(36,571)	2,282
Surcharge on undistributed investment and other income	-	1
Interest and other income subject to a rate of tax higher than the standard rate of tax	-	1
Adjustment to tax charge in respect of previous years	-	130
	<u>-</u>	<u>132</u>
Tax charge for the year	<u><u>-</u></u>	<u><u>132</u></u>

(c) Factors that may affect future tax charges

Based on current taxation legislation no corporation tax or deferred tax arises on the operating profit, because of the exemption of profits from the occupation of woodlands from corporation tax.
